

Company	VMS/NVR	Released/Tested	VCA support	Note
Aimetis	VMS Integration	√ (SW V6.11+)	-	*OEM model is integrated, not CBC (ZN-DNT352XE-MIR /ZN1A-DN332XE-MPD) supported device list
Alnet	VMS Integration	√ / (V3.0.0.637)	√	*OEM model is integrated, not CBC supported device list
Artec	VMS Integration	√	√	*OEM model is integrated (PixelPro GXi D1 cameras)
Avigilon	via Onvif protocol	√ / (Control Center V5.0)	√	via ONVIF protocol VCA support by using POS transaction supported device list
Axxon	VMS Integration	√ / (DevicePack_3.2.20)	-	GANZ models are integrated.
Codestuff	via Onvif protocol	√	-	Onvif device listing (Should be GanzGXi discovered)
Dahua	NVR		√	Supports the video stream and VCA event when set the camera to "VCA convert to MD"
Digifort	VMS Integration	√ / (V6.6.1.0)	√	supported device list Use UDP IPN device driver
Digi-IT	VMS Integration	√	√	Use UDP IPN device driver
Digital Watchdog	DW Spectrum IPVMS		√	All PixelPro GXi via their HTTP API. Now supporting, in limited fashion, VCA Bridge. VCA Alarm and video events integration are supported using their HTTP API. The DW Spectrum IPVMS is an OEM version of Network Optix's Nx Witness VMS and works the same way
Emstone	VMS Integration	√	√	Use UDP IPN device driver
Exacq	VMS Integration	√ / (V5.2)	√	supported device list GanzGXi device listing
FLIR	VMS		√	DVTEL part of FLIR VMS - Tested by DVTEL Supports the video stream and VCA event when set the camera to "VCA convert to MD"
GanzVision	VMS Integration	√ / (V5.2)	√	GanzGXi device listing supported device list
Genetec	Integrated Genetec Protocol	√ / (Omnicast V4.8/Security Center V5.2)	√	integrated Genetec Protocol supported device list
GEUTEBRUCK	VMS Integration	√	√	*OEM model is integrated. supported device list
GVD	VMS Integration	√ (SW V2.6.3)	√	GanzGXi device listing supported device list
Heitel	VMS Integration	√		*OEM model is integrated.
Hikvision	NVR		√	Supports the video stream and VCA event when set the camera to "VCA convert to MD"
Incon	VMS		√	
Innodep	VMS Integration	√	√	supported device list Use PixelPro GXi device driver
LuxRiot VMS	VMS Integration	√ / (V2.2.0)	√	supported device list Use PixelPro GXi device driver
Milestone	VMS Integration	√ / (Device Driver V6.9)	√	supported device list Use UDP IPN device driver
Mirasys	VMS Integration	√	√	supported device list Use UDP IPN device driver
Network Optix	Nx Witness VMS		√	All PixelPro GXi via their HTTP API. Now supporting, in limited fashion, VCA Bridge. VCA Alarm and video events integration are supported using their HTTP API
Nice	VMS		-	*OEM model is integrated. (ZN-DNT352XE-MIR /ZN1A-DN332XE-MPD) supported device list
Nuuo	VMS Integration	√ / (Device Pack v2.13.0)	√	Use UDP IPN device driver supported device list
ONSSI	VMS Integration	√	√	Use UDP IPN device driver / In some cases ONVIF
Onvif Compliance	tested VMS Alnet Digifort Genetec Luxriot Milestone Incon Seetec Axxon Codestuff Avigilon	√ (Device FW V1.6.0.6 or later is Profile S)	-	Some VMS can support VCA event by using VMS's POS transaction function
Realhub	VMS Integration	√	-	Use UDP IPN device driver supported device list
Sailent	VMS Integration	√		*OEM model is integrated. supported device list
Seetec	VMS Integration	√ / (V5.4.5)	√	supported device list GanzGXi device listing supported device list
SmartStation	VMS		√	GanzGXi device listing
Sureview	VMS Integration	√	√	Support detail Use UDP IPN device driver
Uniview	NVR		√	Supports the video stream and VCA event when set the camera to "VCA convert to MD"
Video Insight	VMS Integration	√		supported device list Use UDP IPN device driver
Wavestore	VMS Integration	√	√	supported device list OEM models support more
Win4net	VMS Integration	√	√	Use UDP IPN device driver
ZNS	VMS Integration	√ / (V2.4.0)	√	GanzGXi device listing
