

# BL SERIES

## MOUNTING BRACKET

Tighten the screw to attach the bracket. Refer to the above drawing.

## SPECIFICATION

| Model No.                     | BL-101   | BLH-201                 |
|-------------------------------|--|-------------------------|
| TV System                     | EIA  |                         |
| Scanning System               | 2:1 Interlace  |                         |
| Image Sensor                  | 1/3" IT. CCD   |                         |
| Effective Elements ( H x V )  | 510 x 492  | 768 x 494               |
| Scanning Frequency ( H / V )  | 15.734kHz / 59.94 Hz   |                         |
| Video Output                  | 1.0V (p-p) / 75Ω   |                         |
| Resolution ( Horizontal )     | 380 TV lines   | 570 TV lines            |
| Minimum Illuminance (50IRE)   | 0.07 lux (F1.2/ 50 IRE)  | 0.14 lux (F1.2/ 50 IRE) |
|                               | 0.03 lux (F0.8/ 50 IRE)  | 0.06 lux (F0.8/ 50 IRE) |
| AGC                           | +20dB  |                         |
| S/N Ratio ( AGC Off )         | More Than 48 dB  |                         |
| Y Characteristic              | 0.45   |                         |
| Auto Electric Shutter ( AES ) | 1/60 - 100,000 Sec.  |                         |
| Sync. System                  | INT. / L.L.  |                         |
| Power Supply                  | 12VDC/24VAC  |                         |
| Power Consumption             | Less Than 3.3 W  | Less Than 3.5 W         |
| Ambient Temperature           | Operation : -10°C ~ +50°C / Storage : -20°C ~ +60°C              |                         |
| Ambient Humidity              | Operation : RH80% Max. ( Keep Free From DAMP ) / Storage : RH85% |                         |
| External Dimensions           | 55 (W) x 40 (H) x 102 (D) mm                                     |                         |
| Weight                        | 280g approx.   |                         |
| Input / Output                | Video Output : BNC   |                         |
|                               | Power input : Screwless 2 Pins Terminal                          |                         |
