600 TVL Color Day/Night Corner Mount Camera

CMC-25

The Ganz CMC-25 corner mount camera features a 600 TVL color sensor with day/night mode assuring excellent low light performance. The 2.5mm super wide lens provides a 115-degree horizontal angle of view, ideal for full coverage of small rooms, elevators and hallways. The housing is designed to fit into any 90-degree corner and the internal camera can be tilted and swiveled to achieve the required viewing angle. The housings consist of a 2-part assembly for easy installation. The standard faceplate is black and optional white and silver faceplates are available.

Features:

- 600 TVL resolution color Day/Night camera
- Super wide 2.5mm lens (other lens options available)
- Tamper resistant design
- Interchangeable clear and tinted windows included
- White and silver faceplate options available
- 12VDC power input
